## (THE ZOOLOGICAL SOCIETY KOLKATA – INDIA)

*Celebrating 75 years in the pursuit of knowledge and wisdom*

**Department of Zoology, University of Calcutta. 35, Ballygunge Circular Road Kolkata – 700 019, India**

### Notice

The Zoological Society Kolkata- Research and Application Foundation is proud to start a Research Incubation Centre at 28/15, New Ballygunge Road, (Bediadanga 2<sup>nd</sup> lane) Kolkata 700029 to provide a work space with basic computers, internet and printing facilities to the interns. The incubation centre will arrange for comprehensive and integrated range of support including space, mentoring, training programs, networking and an array of other benefits while nurturing and encouraging the interns by eminent faculties, researchers and industry experts through orientation programmes during the entire tenure of the project. Interns are requested to feel free to engage with incubatees as well as the expert network to leverage collective knowledge.

The ZSK-RAF also takes immense pleasure to inform that the first phase of Orientation Programme under National Internship programme, 2021 will start from 7.11.2021. The programme will be preceded with an introductory session followed by an Invited lecture by **Prof. Ananda Mukhopadhyay**, Professor (Rtd), Entomology Research Unit, Department of Zoology, University of North Bengal on “A detailed account of Research Process”. The details of the virtual programme will be sent to the respective e-mail Ids of the Interns.

By order

**Date: 04.11.2021**

**Place: Kolkata**

Prof. Sumit Homechaudhuri  
Honorary General Secretary, ZSK-India  
Professor of Zoology and Former Head, University of Calcutta
