

# Course content

- Ecological study design
- Methodologies of analyzing
  1. Forest ecosystem
  2. Wetland ecosystem
  3. Agro-ecosystem
  4. Mountain ecosystem
  5. Riverine ecosystem
  6. Desert ecosystem
  7. Marine ecosystem
  8. Mangrove ecosystem
- Eco-restoration
- Remote sensing in ecological studies
- Statistical analysis of ecological data
- Virtual field workshop

Road, Kolkata 700019

# The Zoological Society Kolkata-India

Research & Application Foundation

organizes

A National Online Workshop  
on

'Ecological Paradigms-  
An Applied Perspective'  
(Phase I: Ecosystem)

From December 1 to 19, 2022

6:30-8:30 pm

# Objectives of the Course

- To provide an insight into the recent advancements of ecological techniques.
- To understand the importance of study design and methodologies towards analysis of different ecosystems
- To provide an online field exposure for analysis of different ecosystem dynamics

## A National Online Workshop on 'Ecological Paradigms- An Applied Perspective' [Phase I: Ecosystem]

### Target participants

- Faculty Members
- Research Scholars

**Intake Capacity: 40**

### Registration Fee

- For Faculty Members: Rs. 1500/-
- For Research Scholars: Rs. 1000/-

### Payable at

- State Bank of India
- Branch: Ballygunge
- Account No: 11000016407
- IFSC Code: SBIN0000018

### Important Dates

- Registration starts: 10.11.2022
- Registration closes: 25.11.2022

### Registration Link
