

# ZSK NATIONAL INTERNSHIP & RESEARCH FELLOWSHIP AWARD, 2023

## Frequently Asked Questions

### **1. Is the Internship 36000/month or 36000 for 6 months?**

The internship is INR 6000/month and a contingency of INR 5000 will be given to the respective Labs.

### **2. Is it strict to maintain the word limit of the project proposal at 1000 words?**

It would be better to restrict yourself to the mentioned word limit but it can exceed up to 1500 words.

### **3. Will ZSK choose the lab or mentor for the students applying for Internship?**

No, ZSK will not interfere in the process of selecting Mentors for the Internship programme. The students have to find a suitable recognized lab for themselves.

### **4. Can we apply from any States/University/Institute in India?**

Yes. Students can apply from any recognized laboratory around India.

### **5. Should the research proposal need to get attested by my guide?**

No. The mentor need to fill and sign the attestation form attached with the application form.

### **6. If selected and if project is completed, should I need to come to Kolkata for any presentation or submission of report?**

The selected students need to present their work after completion of the project but ZSK will always maintain the Covid-19 guidelines and online mode of presentation will be there.

### **7. Considering the ongoing covid19 pandemic, do we have any relaxation on the duration of the project?**

ZSK has a provision for extension of the Internship programme for 4 to 6 months but it would be decided after evaluation of the project completion report by the expert committee.

### **8. Can final year students awaiting results apply for the Internship?**

Yes. They can apply with a recommendation from the Head of the Department.

### **9. Do the students need to come to Kolkata for joining?**

No. The procedure can be done online.
